

# WHAT TO EXPECT

## New ERTS ReWrite

1

You will receive an email for **\*identity.oci.oraclecloud.com** containing a default password and a link to set your own password.

2

**If you did not log in before the default password expired, you can request a new default password using the password reset option on the login page.**

3

After setting your password, login will require you to use a token/code sent to your email address to login to the ERTS application.

4

**Your profile, role, and organization association will be migrated from the current ERTS application to the new ERTS application.**

5

Once logged into the new ERTS application, verify your registration and profile information for accuracy.

6

**All *fund data* will migrate to the new ERTS application and will not be changed during the migration.**

7

All *local union* data will migrate to the new ERTS application and will not be changed during the migration.

8

**All members' *blanket authorization* data will migrate to the new ERTS application and will not be changed during the migration.**

9

The ERTS Support Team can be reached via [erts@allenbates.com](mailto:erts@allenbates.com) or by telephone at 888-728-9904.

10

**See next page for a sample view of the Login Page.**

**International Brotherhood of Electrical Workers**
